

3 ANTICA DIMORA

In a city where hotel rooms are at a premium, the Antica Dimora (situated just north of the Duomo) offers a warm, welcoming atmosphere and great value for money, but with only six bedrooms, you need to book well in advance. The carefully furnished rooms are light and airy and feature antiques, shot silks and linens and oriental rugs; those at the back are quieter. Breakfast is served in the living room, where guests can help themselves to hot drinks throughout the day.
